

Ammo Tray Kit – Fitting Instructions

trev@idleback.co.uk

Kit includes:

- 1 x Tray
- 1 x Pivot Bracket
- 1 x Pivot Tension Knob & Screw
- 1 x Fixing Knob and Screw

Simply push the Fixing Knob Screw through the hole at the top of the front support arm and using the star knob tighten into place.

You can keep the tray level no matter what angle your gun support arm is set. When level tighten the Pivot Tension Knob.
