

Hard Standing Feet Kit – Fitting Instructions

trev@idleback.co.uk

Kit includes:
3 x Plates
2 x Shorter Screws
1 x Longer Screw
3 x Star Knobs

Remove the bottom bolt
all 3 legs.
Note one has a carry
strap clip!
This one needs the longer
of the 3 new screws!

Slide the plates up each leg
as shown.
Push the new screw
through the hole.
Tighten into place.
